Cattle for the court day markets here Monday began coming in late Saturday afternoon and by dark there were about 400 quartered at Nunnelley's big stock pens near the depot. Buyers were on hand early and those who came in after 9 o'clock Monday morning found the pick and choice of the Saturday consignment had been taken up by the out of town buyers.

A fair market prevailed, however, throughout the day. Logan Thompson disposed of a bunch of feeders to Hill, of Garrard county, at 5 3-4 cents. Mitchell Taylor, of Boyle, bought of J. D. Whitehouse, of the same county, a bunch of 100 pound cattle at 5 3-4 cents.

Rose & Littrell, of Clark county, and Peel Bros., of Jessamine, stole a march on the others and by early "candle light" picked up good bunches weighing all the way from 400 to 700 pounds at prices ranging from 4 to 6 cents.

G. E. Lutes sold to James McCormack, of Casey county, a bunch of steers at 5 cents. F. L. Thompson sold to McWhorter, of Garrard, a lot of good heifers at 4 3-4 cents. They weighed 500 lbs.

Rankin and Son of Hubble, shipped to Odessadale, Ga., last week a carload of mules bought here at prices ranging around \$150. Reports from the Southern market are not very encouraging and shippers are refraining from sending large consignments south.

J. E. and R. T. Bruce delivered hogs weighing 280 pounds at \$18 to Dick Gentry, of Boyle, 20 contract hogs weighing 280 pounds at \$8 per hundred, 2 to J. S. Baughman weighing 465 each at \$7.50, 1 to Dick Farmer weighing 500 pounds at 7 cents the red listed stock.

Wm. Matheny, of the southern part of the county, bought of different parties a bunch of stock shoats at 5 1-2 cents, and sold to Peel Bros., of Jessamine, a good lot of 700-pound steers at 5 1-4c.

B. D. Holtzelaw, of the Walnut Flat section, bought of Latham & Burton, of Pulaski, a drove of 20 700-pound steers at 5 cents. Holtzelaw delivered to Clell Coleman, of Mercer county, a bunch of 900-pounders at 5 cents.

Josiah Anderson, of the Preacher'sville section, sold to Lawson & Proven, the Garrard traders a bunch of 14 hogs, that averaged 135 each. They paid him six cents a pound for the porkers.

James Yowell, of the West End, delivered to J. D. Whitehouse, the Boyle county trader, a bunch of 35 700 pound cattle average, for which he received 5 1-4 cents. J. N. Vanhaak sold to Hatfield Bros., a pair of yearling mules for \$180. Mrs. Broadbuss, out on the Danville pike, sold to J. A. Spoonamore some fat hogs at 6 1-2 cents.

Shade Wilder, who has ten acres on Senator R. L. Hubble's farm, of what is said to be the finest white burley tobacco grown in Kentucky this season, refused a bona fide offer of 15 cents a pound for it here Saturday. He says he is holding it at 20 cents a pound. He believes that his crop will weigh close to 20,000 pounds. Experts, who saw this tobacco early in the season, predicted that it would make a magnificent crop and Mr. Wilder is said to have obtained as good results with it as were expected. He is undecided as yet whether to sell it privately or take it to the Danville or Lexington breaks.

W. P. Kincaid, the well known local tobacco buyer, paid Harry D. Frye, of the Hedgeville section, 13 cents a pound, for his crop, last week. Mr. Frye had about 3,000 pounds of the weed, and had it in nice shape. He will deliver it to the buyer at the warehouse here.

R. C. Arnold, the local stock dealer, bought of H. B. Davis, two fat cows weighing 2,000 pounds paying \$3.65 for them; of J. B. Paxton an 800 pound cow at 3 1-2c, of J. B. Sears, one weighing 87 pounds at 3c; one of John Gooch that weighed 1,000 pounds, at 4c; a Jersey of Mrs. Craig Gooch at \$40 and one of P. Myers weighing 900 pounds at 3 1-4 cents.

Black Leg Kills Calf.

Ike Phillips, of the Walnut Flat section, lost a calf last week from black leg. The animal showed signs of sickness late Thursday afternoon and died in a few hours. Mr. Phillips upon investigation found that the trouble was black leg, and immediately vaccinated all his other cattle. A year ago he lost a steer from the same cause but vaccination prevented any further spread of the malady. Farmers and cattle dealers generally would do well to use every precaution against the spread of this contagious and deadly disease. Mr. Phillips has no idea where or how the calf became infected.

When you have a bilious attack give Chamberlain's Tablets a trial. They are excellent. For sale by G. L. Penny.

Freak Ear or Corn

J. M. Gooch brought to this office Saturday an ear of corn raised on his farm near Goshen, that is indeed a freak of nature. The ear is not of extra length, being only 10 inches, but the circumference is exactly equal to the length and there are three distinct sizes of kernels on the cob, giving it the appearance of having been in its growing state at least 2 separate ears and some pressure having brought them together, it consolidated into one. The cob is not round, but is round from all appearances and on different parts are to be found clusters of about half a dozen kernels, each of which are somewhat separate from the rest. The freak weighs 1 3-4 pounds, contains 28 rows and is very highly prized by Mr. Gooch.
